### MEMBERSHIP DUES STRUCTURE

For all members directly involved with the tourism industry, membership is based upon **Full Time Equivalents (FTE's)**. To compute your FTE: Total all full- and part-time, regular and overtime staff hours including: owners, managers, seasonal, and contract labor. If you lease out facilities within your property, the FTE's in these leased facilities must also be included if you expect the FCVB to assist with promotion of said facilities.

Divide total hours by 2080 to determine number of FTE's.

Total FTE	Dues
0 – 5	\$ 250.00
6-20	350.00
21-40	550.00
41-60	1,100.00
61-80	1,650.00
81-100	2,200.00
